COMMON LIST FOR THE PURPOSE OF ADVANCEMENT IN RANK TO AND INCLUDING THE GRADE OF COLONEL OF COMMISSIONED OFFICERS OF THE LINE AND STAFF OF THE MARINE CORPS

[NOTE.—Extract from act of Aug. 29, 1916: "That for the purpose of advancement in rank to and including the grade of colonel, all commissionered officers of the line and staff of the Marine Corps shall be placed on a common list in the order of seniority each would hold had he remained continuously in the line. All advancements in rank to captain, major, lieutenant colonel, and colonel shall, subject to the usual examinations, be made from officers with the next junior respective rank, whether of the line or staff, in the order in which their names appear on said list."

This list should be used by general courts-martial in adjudging sentences of loss of numbers in cases of officers of the ranks of lieutenant colonel and major.

Captains and first lieutenants are not shown in this list by reason of the fact that there are no officers of the permanent staff in said grades. Their names appear in the proper order in the body of the register.]

Active Duty.—*Provided*, That hereafter any retired officer of the naval service who shall be detailed on active duty shall, while so serving, receive the active duty pay and allowances of the grade, not above that of lieutenant commander in the Navy or major in the Marine Corps, that he would have attained in due course of promotion if he had remained on the active list for a period beyond the date of his retirement equal to the total amount of time during which he has been detailed on active duty since his retirement: *Provided*, That nothing herein shall be construed to reduce the pay of any retired officer on active duty whose retired pay exceeds the active duty pay and allowances for the grade of lieutenant commander." (Act Aug. 29, 1916.)

"That hereafter, during the existence of war or of a national emergency declared by the President to exist, any commissioned or warrant officer of the Navy, Marine Corps, or Coast Guard of the United States on the retired list may, in the discretion of the Secretary of the Navy, be ordered to active duty at sea or on shore; and any retired officer performing such active duty in time of war or national emergency, declared as aforesaid, *shall be entitled to promotion on the retired list* to the grade or rank, not above that of lieutenant commander in the Navy or major in the Marine Corps or captain in the Coast Guard and *shall thereafter* receive the pay and allowances thereof which his total active service as an officer both prior and subsequent to retirement, in the manner rendered by him, would have enabled him to attain in due course of promotion had such service been rendered continuously on the active list during the period of time last past." (Act July 1, 1918.)

"That during the existence of war or of a national emergency, declared as aforesaid, any commissioned or warrant officer of the Navy, Marine Corps, or Coast Guard of the United States on the retired list, while on active duty, *may be temporarily advanced* to and commissioned in such higher grade or rank on the retired list, not above that of lieutenant commander in the Navy or major in the Marine Corps, or captain in the Coast Guard, as the President may determine, and any officer so advanced shall, *while on active duty*, be entitled to the same pay and allowances as officers of like grade or rank on the active list: *Provided*, That any such commissioned or warrant officer who has been so temporarily advanced in grade or rank *shall*, upon his relief from active duty, or in any case not later than six months after the termination of the war or of the national emergency, declared as aforesaid, *revert* to the grade or rank on the retired list and to the pay and allowance status which he would have held had he not been so temporarily advanced." (Act July 1, 1918.)

(*a*) A retired officer on active duty July 1, 1918, who is qualified for promotion under the act of July 1, 1918, and is promoted from that date is entitled to the pay and allowances of the higher rank from the date stated in his commission. (Comp. Dec., Oct. 16, 1918.)

(*b*) Notice of dissolution of the court on which a retired officer was ordered is sufficient to terminate his assignment to active duty under that order. (Comp. Dec., Sept. 29, 1910.)

(*c*) A retired officer of the Navy detached from duty and ordered to report to a naval hospital for treatment is not, while being treated therein, performing active duty within the meaning of the act of June 7, 1900 (31 Stat., 703), and is not entitled under said act to active duty pay while undergoing treatment in the hospital and while returning to his home after being discharged therefrom. (Comp. Dec., Dec. 21, 1910.)

(*d*) A retired officer of the Navy ordered to active duty is entitled to active duty pay from the date he leaves his home under orders, provided he travels to duty by the usually traveled route, which need not be the shortest as regards time. (Comp. Dec., May 20, 1915.)

1. **Pay.**—A warrant officer temporarily commissioned whose pay as a warrant officer is higher than when commissioned is entitled to the higher pay, including rations. (Comp. Dec., Oct. 20, 1917.)

2. **Leave.**—(*a*) A warrant officer ordered home and granted leave is not entitled to duty pay while traveling to his home. (Comp. Dec., Apr. 13, 1910.)

(*b*) "Warrant officers shall be allowed such leave of absence, with full pay, as is now or may hereafter be allowed other officers of the United States Navy." (Act Aug. 29, 1916.)

(*c*) A warrant officer on leave not in excess of that due him is entitled to receive pay at the rate he is receiving when leave is granted. (Comp. Dec., Sept. 23, 1916.)

3. **Heat and Light.**—"Warrant officers shall receive the same allowance of heat and light as are now or may hereafter be allowed an ensign." (Act Aug. 29, 1916.)

(*a*) Under the act of April 16, 1918, warrant officers are entitled to the same allowance for commutation of heat and light as is provided for ensigns. (Comp. Dec., Oct. 22, 1918.)

4. **Pay Clerks and Chief Pay Clerks.**—(*a*) Pay clerks and acting pay clerks shall have the same pay, allowances, and other benefits as are now or may hereafter be allowed other warrant officers and acting warrant officers, respectively. * * * All pay clerks shall, after six years' service as such, be commissioned chief pay clerks, and shall, on promotion, have the rank, pay, and allowances of chief boatswain. (Act of Mar. 3, 1915.)

(*b*) Commencement of pay as a chief pay clerk, pay clerk, or acting pay clerk is not contingent on the date of approval of bond. (Comp. Dec., May 1, 1918.)

5. **Warrant Officers, Sea Duty.**—Warrant officers on sea duty or shore duty beyond the continental limits of the United States are not entitled to the 10 per cent additional pay allowed by act of May 13, 1908, to commissioned officers of the Navy for such duty. (Comp. Dec., June 13, 1908, and Oct. 14, 1910.)

6. **Rations, Officers.**—All officers of the Navy, except commissioned officers of the line, medical and pay corps, chaplains, and commissioned warrant officers, are entitled to a ration or commutation therefor at the rate of not to exceed 40 cents per day while attached to and doing duty aboard a seagoing vessel of the Navy. Midshipmen are entitled to the ration or commutation therefor at all times. (See Comp. Dec., July 13, 1908; Apr. 23, 1909; naval appropriation act, Mar. 3, 1909.) (G. O. 338.)

(*a*) The accounts of officers subsisted by the general mess of a vessel while serving temporarily on shore should be checked with the cost of the rations issued, as shown by the actual issues to crew and marines during the period covered by their subsistence. (Comp. Dec., Feb. 18, 1910.)

(*b*) Officers attached to and doing duty on a receiving ship are not entitled to the commutation for rations allowed while at sea or attached to a seagoing vessel. (Comp. Dec., Aug. 25, 1910.)

7. **Mates, Pay and Allowances.**—Mates occupy the status of both "officers of the Navy and enlisted men." (Op. Atty. Gen., Oct. 15, 1907.)

Mates are entitled to the honorable-discharge gratuity, the travel allowance allowed enlisted men honorably discharged, and additional pay when designated as Navy mail clerks, under the same conditions as enlisted men; but they are not entitled to continuous-service pay, additional pay for good-conduct medals, or other compensation heretofore fixed by the President. (Comp. Dec., Jan. 28, 1908; Oct. 2, 1908.) They are entitled to commutation of quarters under the same conditions as warrant officers, but are not entitled to heat and light allowance. They are entitled to rations or commutation therefor when attached to and doing duty aboard a seagoing vessel, a receiving ship, or a ship in ordinary at a navy yard. (12 Comp. Dec., 728.)

A mate, rated as such subsequent to August 1, 1894, who was retired upon application to the President and after 30 years' service, is entitled, in computing his pay, to 75 per cent of the pay he was receiving at the time of his retirement and, in addition, $15.75 per month as allowances. (Comp. Dec., Feb. 3, 1912.)

Allowances, Officers: Quarters, Heat, and Light. (Shore Duty—Old Law.)

1. **Commutation of Quarters.**—"Hereafter the Secretary of the Navy may determine where and when there are no public quarters available for persons in the Navy and Marine Corps, or serving therewith, within the meaning of any acts or parts of acts relating to the assignment of quarters or commutation therefor." (Act, July, 1918.)

(*a*) Commissioned officers of the Navy on shore duty where there are no public quarters for their accommodation, or where quarters have not been hired for their use, are entitled to commutation of quarters at the rate of $12 per month for each room to which their rank entitles them, as shown in Art. 4513–(7), N. R.

(*b*) Warrant officers and mates are each entitled under above conditions to commutation of quarters for two rooms.

(*c*) An officer in receipt of commutation of quarters is entitled to same while temporarily absent on duty in the field. (Comp. Dec., Oct. 20, 1910.)

(*d*) A retired officer ordered to active duty whose orders do not specify where the shore duty on which he was to be employed should be performed, and who has selected his home as his station for the purpose of such duty, is entitled to commutation of quarters, notwithstanding that he reported by letter instead of in person. (Comp. Dec., Apr. 14, 1910.)

(*e*) An officer on duty at a station where public quarters are available is not entitled to commutation of quarters, even though he can not be assigned the full number of rooms to which his rank entitles him. (Comp. Dec., Oct. 31, 1913.)

(*f*) Authorization by the Secretary of the Navy to hire quarters for the use of officers does not authorize delegation of that authority to the officers themselves. Quarters so hired preclude payment of commutation to the officers assigned to them. (Comp. Dec., Feb. 2, 1917.)

(*g*) Where a ship is permanently detached from receiving ship duty and no other ship is designated to take her place, it has the effect of detaching officers assigned to receiving-ship duty on that vessel (and who are not a part of the ship's complement) and placing them on shore duty. If such detachment is permanent, said officers are entitled to commutation of quarters if not furnished quarters in kind. If detachment from receiving ship under circumstances outlined is only temporary, officers must provide their own quarters. (Comp. Dec., July 3, 1917; Aug. 28, 1917.)

(*h*) See "(*n*)" under "*Allowance, Heat and Light.*"

2. **Allowance, Heat and Light.**—Hereafter heat and light actually necessary for the authorized allowance of quarters for officers and enlisted men shall be furnished at the expense of the United States under such regulations as the Secretary of War may prescribe. (Army appropriation act approved Mar. 2, 1907; Art. 4514, N. R.)

(*a*) Allowances for heat and light to officers occupying public quarters and quarters other than public will be as provided by General Orders No. 115 of August 18, 1914; No. 131 of January 20, 1915; No. 136 of February 25, 1915; No. 152 of July 1, 1915; No. 208 of April 22, 1916; No. 430 of October 1, 1918.

(*b*) An officer who is assigned Government quarters furnished with heat and light, but who prefers not to occupy them and lives elsewhere, is not entitled to reimbursement for the expenses of heat and light in the quarters he chooses to occupy in preference to those assigned him by the Government. (Comp. Dec., Feb. 18, 1910.)

(*c*) An officer taking his meals only at a place where he certifies it is impracticable to furnish fuel in kind, but occupying quarters which it is practicable for the Government to heat, is not allowed a credit of the money value, but is entitled to fuel in kind for the quarters occupied. (Comp. Dec., Oct. 8, 1910.)

(*d*) An officer maintaining two residences as quarters during the same period is not entitled to have heat and light supplied to both at Government expense during said period, even though his accumulated allowances should not be exceeded. (Comp. Dec., May 27, 1910.)

(*e*) Officers attached to seagoing vessels are not entitled to commutation of quarters or heat and light allowance while on temporary special duty away from their ships under orders expressly imposing a continuation of their sea duties. (Comp. Dec., Dec. 20, 1909.)

(*f*) Midshipmen are not entitled to commutation of quarters or to allowances for heat and light.

(*g*) Mates are not entitled to heat and light allowances. (Comp. Dec., Nov. 21, 1907.)

(*h*) Officers attached to vessels in commission compelled to live on shore are entitled to expenses incurred for hire of quarters, heat, and light not to exceed authorized allowance, if approved by the department. (Comp. Dec., Nov. 22, 1911.)

(*i*) An acting assistant surgeon is entitled to the pay and allowance (quarters, heat, and light) allowed assistant surgeons in the Navy. (See decision of the Supreme Court in the Plummer case, Bureau Memoranda No. 134, page 2031.)

(*j*) Where an officer occupies quarters other than public he is not entitled to greater heat and light allowances than those prescribed for the number of rooms *actually* occupied by him, regardless of the number which he is entitled to occupy. (Comp. Dec., July 31, 1913; Aug. 15, 1913; Sept. 21, 1917.)

If an officer's quarters at his permanent station are actually occupied, during his absence on leave, by his family or persons fdependent upon him for support (and evidence of such fact accompany the voucher), payment of the heat and light allowance or such quarters during such period is authorized; but if said quarters are not so occupied, the officer is entitled to no heat or light allowances for the period of his absence on leave. (Comp. Dec., Aug. 15, 1913.)

(*k*) Where quarters occupied by an officer consist of a greater number of rooms than his rank entitles him to, payment for heat and light is authorized, provided the amounts consumed do not exceed the respective maximum amounts allowed for the number of rooms to which the rank of said officer *entitles* him. (Comp. Dec., Sept. 6, 1913.)

(*l*) In computing the number of rooms for which an officer is entitled to heat and light allowances, only rooms *actually and exclusively* occupied by him as quarters can be counted, and bathroom, storerooms, halls, etc., and rooms used in common with other guests or tenants can not be included. (Comp. Dec., Sept. 6, 1913.)

(*m*) Where two officers *jointly and exclusively* occupy *four* rooms as quarters, their heat and light allowances should be computed upon the same basis as if they each exclusively occupied *two* rooms as quarters. Rooms *exclusively* occupied by two or more officers entitled to heat and light allowances are not "rooms used in common with other guests or tenants." (Comp. Dec., Oct. 22, 1913.)

(*n*) An officer temporarily on duty in the United States away from his station beyond seas where he occupied private quarters continues to be entitled to enjoyment of commutation of quarters but not to commutation of heat and light unless his quarters continued to be occupied by his family or dependents. (Comp. Dec., Jan. 17, 1916.)

(*o*) An officer receiving commutation of heat is not entitled to order fuel for personal use under any Government contract. (Comp. Dec., Mar. 9, 1916.)

(*p*) A commissioned warrant officer on shore duty after 6 and 12 years from date of commission is not entitled to increased allowance for heat and light prior to the receipt by him of an official written certification that his record is creditable as prescribed by G. O. 247. (Comp. Dec., May 15, 1917.)

3. Commutation of Quarters, Heat, and Light for Dependents of Officers on Sea Duty During Present Emergency (Act of Apr. 16, 1918). (See pp. 318-319, Manual for Supply Officers Afloat and Bureau Memoranda No. 215.)

1. Increases Provided by Act of May 13, 1908, and May 22, 1917.—"The pay of all active and retired enlisted men of the Navy is hereby increased 10 per centum." (Act May 13, 1908.)

"Sec. 15. That commencing June first, nineteen hundred and seventeen, and continuing until not later than six months after the termination of the present war, all enlisted men of the Navy of the United States in active service whose base pay does not exceed $21 per month shall receive an increase of $15 per month; those whose base pay is over $21 and does not exceed $24 per month, an increase of $12 per month; those whose base pay is over $24 and less than $45 per month, an increase of $8 per month; and those whose base pay is $45 or more per month, an increase of $6 per month: *Provided*, That the increases of pay herein authorized shall not enter into the computation of continuous-service pay." (Act May 22, 1917.)

(*a*) The additional base pay for enlisted men authorized by act May 22, 1917, for the duration of the war, applies to the base pay of the rate stripped of any additions by percentage or otherwise. (Comp. Dec., May 26, 1917). (See (*e*) under par. 32.)

2. Increase of 10 Per Cent, Act May 13, 1908, Computation of.—"The 10 per cent increase of pay provided for enlisted men of the Navy by the act of May 13, 1908, is computed on the base pay plus *permanent additions*, such as extra pay for continuous service, good-conduct medals, etc.; *transient additions*, which require a special detail, such as gun pointers, messmen, etc., do not enter into the computation for this increase. (Comp. Dec., May 27, 1908.)

3. Pay, Not Reduced by Act May 13, 1908.—"Nothing herein shall be construed so as to reduce the pay or allowances now authorized by law for any commissioned, warrant, or appointed officer or any enlisted man of the active or retired lists of the Navy, and all laws inconsistent with this provision are hereby repealed." (Act May 13, 1908.)

4. Hospital Corps.—"The pay, allowances, and emoluments of the enlisted men of the Hospital Corps shall be the same as are now, or may hereafter be, allowed for respective corresponding ratings * * * in the seamen branch of the Navy." (Act Aug. 29, 1916.)

5. Hospital Fund.—Twenty cents per month is deducted from the pay of each enlisted man of the Navy, to be applied to the fund for naval hospitals. (Sec. 4808, R. S.) The hospital fund for transferred members of the Fleet Naval Reserve is deducted from their retainer pay by the Navy Disbursing Officer in Washington even when such members are on active duty. (S. and A. Memo. 197, p. 4297.)

6. Furloughed.—Enlisted men of the Navy furloughed without pay under act of Aug. 29, 1916, upon being recalled to duty resume the pay and rate held by them when placed on furlough. (Comp. Dec., June 12, 1917.)

7. Retired Pay.—"The pay of all * * * enlisted men of the Navy now on the retired list shall be based on the pay, as herein provided for, of * * * enlisted men of corresponding rank and service on the active list; and all pay herein provided shall remain in force until changed by act of Congress." (Act of May 13, 1908.)

(*a*) An enlisted man on the retired list is entitled to the full amount of 75 cents a month for each good-conduct medal held in addition to 75 per cent of the pay of which he was in receipt at the date of retirement. (Comp. Dec., Oct. 27, 1902; Dec. 11, 1902; May 14, 1909.)

(*b*) An enlisted man retired subsequent to June 1, 1917 (and during the continuance of the present war) does not have the flat base increase provided by act May 22, 1917, included in the computation of his retired pay. (Comp. Dec., Aug. 16, 1917.)

8. Deposits.—(*a*) Enlisted men of the Navy upon being temporarily warranted or commissioned under act May 22, 1917, are entitled to be paid any deposits to their credit. (Comp. Dec., Sept. 22, 1917.)

(*b*) Deposits made by enlisted men of the Naval Reserve Force, Marine Corps, Reserve, Naval Militia, and National Naval Volunteers, while on active duty should be repaid with interest (if entitled to any) on date of detachment from said active duty. (Comp. Dec., July 3, 1917.)

9. Absence, Due to Own Misconduct, etc.—"Hereafter no officer or enlisted man in the Navy or Marine Corps in active service who shall be absent from duty on account of injury, sickness, or disease resulting from his own intemperate use of drugs or alcoholic liquors, or other misconduct, shall receive pay for the period of such absence, the time so absent and the cause thereof to be ascertained under such procedure and regulations as may be prescribed by the Secretary of the Navy: *Provided*, That an enlistment shall not be regarded as complete until the enlisted man shall have made good any time in excess of one day lost on account of injury, sickness, or disease resulting from his own intemperate use of drugs or alcoholic liquors, or other misconduct." (Act Aug. 29, 1916, as amended by act of July 1, 1918.) No deduction of pay will be made on account of absence due to an injury incurred prior to July 1, 1918. (See G. O. 451.)

PERMANENT ADDITIONS TO PAY.

10. Rations.—"All enlisted men in the Navy attached to any United States vessel or station and doing duty thereon shall be allowed a ration or commutation thereof." (Art. 4517-(4), N. R.) "Rations of enlisted men shall be commuted only upon the written order of the commanding officer." (Art. 4517-(7), N. R.) "The ration is not pay and shall not be commuted in advance." (Art. 4460, N. R.) The commuted value of a ration shall not exceed 40 cents. (See G. O. 338.) Sections 1580 and 1581 of the Revised Statutes enumerate the components of the Navy ration. In the case of G. C. M. prisoners the Secretary of the Navy is authorized to commute their rations, not to exceed 30 cents each, depending on the locality of the prison. (Act Mar. 4, 1917.) (For "Subsistence, temporary duty ashore," see par. 20 under "Transient Additions to Pay.")

11. Continuous-Service Pay.—Any man who has received an honorable discharge from his last term of enlistment, or who has received a recommendation for reenlistment upon the expiration of his last term of enlistment, who reenlists for a term of four years within four months from the date of his discharge, shall receive an increase of $1.36 per month to the pay prescribed for the rating in which he serves for each successive reenlistment, and an extension of the period of enlistment, aggregating four years, shall be held and considered as equivalent to continuous service with respect to all rights, privileges, and benefits granted for such service pursuant to law. (Art. 4427-(23), N. R.) (See also par. 32, under "Transient additions.")

"Any former member of class one of the United States Naval Reserve, established by Act of March 3, 1915, * * * who shall have reenlisted in the Navy prior to May 1, 1917, shall be held and considered to have reenlisted within four months from the date of discharge from the Navy for the purpose of continuous-service pay." (Act Mar. 4, 1917.)

(*a*) An enlisted man of the Navy who, on being dishonorably discharged, is recommended for reenlistment, is entitled, upon reenlistment within four months after date of discharge, to additional pay for continuous service, but not to the additional pay under General Order No. 34. (Comp. Dec., Aug. 31, 1914.)

(*b*) An enlisted man of the Navy who reenlists exactly four months from date of discharge is entitled to continuous-service pay. (Comp. Dec., Nov. 13, 1914.)

12. Reenlistments Subsequent to November 27, 1906.—"To provide adequate compensation for trained men, the regular pay for each rating in the Navy shall be increased $5 per month during the second period of service, and a further sum of $3 per month during each and every subsequent period of service; but only enlisted men who are citizens of the United States, and whose second and subsequent periods of service each follow next after service in the Navy that was terminated by reason of expiration of enlistment, shall receive the benefits of the increased pay named herein. In the cases of men who are or were finally discharged from the Navy by reason of expiration of enlistment, the first enlistment on or after November 27, 1906, shall be considered the second period of service which shall carry with it the increased pay provided by this paragraph; except that men discharged on recommendations of boards of medical survey shall, if they reenter the service, be given credit for any previous periods of service in the Navy which were terminated by reason of expiration of enlistment." (Executive Order, Nov. 27, 1906.) (General Order No. 34, Nov. 28, 1906; Art. R-4427 (25), N. R.)

(*a*) The risk of making payments to enlisted men of the Navy under "General Order No. 34" rests solely upon the officer making them. It is incumbent upon an officer (of the Pay Corps) to satisfy himself as to the sufficiency of the evidence of citizenship presented and it is his right to refuse to make such payment unless, in his judgment, such evidence is legally sufficient. (Comp. Dec., Dec. 10, 1912.)

(*b*) The fact that an enlisted man holds a permanent appointment as a petty officer is strong *prima facie* evidence of citizenship, and in the absence of facts brought home to any officer of the Pay Corps before making payment contradicting such presumption of citizenship he will be protected in making payment. (Comp. Dec., Apr. 26, 1913.)

(*c*) An enlisted man of the Navy holding a bad-conduct discharge, who is recommended for reenlistment, is not entitled to the additional pay provided by General Order No. 34. (Comp. Dec., Feb. 2, 1918.)

(*d*) An enlisted man of the Navy who receives an ordinary discharge upon reaching the age of twenty-one, who reenlists, is entitled to additional pay under General Order No. 34. (Comp. Dec., Feb. 2, 1918.)

(*e*) A deserter from the Navy who surrenders and is permitted to extend his enlistment is not entitled to increase provided by General Order No. 34. (Comp. Dec., Feb. 2, 1918.)

13. Chief Petty Officers, Permanent Appointment.—"All chief petty officers of the Navy, including chief water tenders, who shall receive permanent appointments after qualifying therefor, shall be paid at the rate of $70 a month." (Art. 4427 (18) N. R., 1913.)

(*a*) An appointment, either permanent or acting, can not be made retroactive to give pay before the appointment is actually made, except by statutory authority. (Comp. Dec., Aug. 8, 1913, and Oct. 30, 1913.)

(*b*) A boiler maker issued an acting appointment as Chief Water Tender in the Navy is paid the pay of the latter rate, provided the man was not in the service on the date the rate of Chief Water Tender was established, namely, June 26, 1903. (Comp. Dec., July 10, 1917.)

(*c*) Retired Chief Petty officers recalled into active service under act Aug. 29, 1916, are entitled to the same pay as men of the same rate and like length of service on the active list. If given a new permanent appointment, however, it does not carry with it the pay and allowances of the rating to which appointed. (Comp. Dec., July 28, 1917.)

14. Seamen Gunners' Certificates, etc.—"Men who have successfully completed a prescribed course of instruction for seamen gunners or petty officers may be given, by the Bureau of Navigation, a certificate to that effect, which shall entitle them to receive $2 per month in addition to the pay of the rating in which they are serving; such certificates to continue in force only during the enlistments in which the men were respectively graduated, unless renewed by reenlistment for four years within four months from date of honorable discharge. Men holding certificates as seamen gunners are entitled to the pay prescribed for said rating and are entitled to reenlist at any time as such at the base rate of $26 per month; but if given any other rating than that of seaman gunner the holder of a seaman gunner's certificate shall not receive additional pay therefor unless in continuous service." (Art. 4427 (8), N. R.)

(*a*) An enlisted man of the Navy who holds a certificate from the Seaman Gunners' School at Washington and one from the Seaman Gunners' School at Newport is entitled to additional pay for only one of such certificates. (Comp. Dec., Dec. 3, 1914.)

(*b*) An enlisted man of the Navy who holds certificates of graduation from two separate and distinct classes of instruction for which $2 per month additional is provided by Executive order is entitled to the $2 per month additional for each of the two certificates. (Comp. Dec., Apr. 26, 1915.)

15. Certificate of Qualification.—"Stewards and cooks in the messmen branch who are citizens of the United States and who hold or may receive certificates of qualification as stewards or cooks shall receive $5 per month additional to the pay of their rating while holding such certificate, such additional pay to be of a permanent character as regular pay." (Exec. Ord., Jan. 28, 1908; Art. 4427 (32-a), N. R., 1913.)

(*a*) The additional pay authorized for a steward or cook holding a certificate of qualification is no part of the pay he was in receipt of at the time of retirement within the meaning of the act of March 2, 1907. (Comp. Dec., Apr. 14, 1914.)

16. Good-Conduct Medals.—"Each enlisted man of the Navy [except mates] and Marine Corps shall receive 75 cents per month, in addition to the pay of his rating, for each good-conduct medal, pin, or bar which he may heretofore have been, or shall hereafter be, awarded. The date of the award of a good-conduct medal, pin, or bar shall be the date of the holder's discharge by reason of the expiration of the enlistment for which the medal, pin, or bar is given, or the date of the expiration of the original enlistment in the event the enlistment is extended, the allowance of 75 cents per month being reckoned from said date of award." (Art. 4427 (9), N. R. See Comp. Dec., Sept. 29, 1906.) (See also Art. N. R. 3664—1-2-3.)

(*a*) A holder of a good-conduct medal for service in the Marine Corps is entitled to be credited with pay for the medal on enlistment in the Navy. (Comp. Dec., Dec. 2, 1913.)

TRANSIENT ADDITIONS TO PAY.

17. Seamen in Charge of Hold.—"Seamen in charge of holds shall receive $5 per month in addition to their pay." (Art. 4427 (12), N. R.)

18. Coxswains of Steam Launches, etc.—"Coxswains detailed as coxswains of boats propelled by machinery, or as coxswains to commanders in chief, shall receive $5 per month in addition to their pay." (Art. 4427 (10), N. R.)

(*a*) The additional pay allowed for this duty is no part of the pay of the rating of coxswain and should not be included in computing the pay of a coxswain on the retired list. (Comp. Dec., May 27, 1914.)

(*b*) Additional pay continues even when boats are separated from their ship, provided details remain in effect. (Comp. Dec., May 31, 1917.)

19. Petty Officers, Allowance in Lieu of Quarters and Rations.—"Petty officers of the Navy, performing duty which deprives them of quarters and their rations or commutation thereof, shall receive $9 per month in addition to the pay of their rating." (Art. 4427 (6), N. R.)

20. Subsistence, Temporary Duty Ashore.—"Subsistence furnished to enlisted men attached to ships of the Navy, when unavoidably detained on shore, under orders, or absent by authority for one day or more from the ship to which attached, shall be charged to appropriation 'Provisions, Navy,' During the time of such subsistence their rations shall be stopped on board ship and no credit for commutation therefor shall be given." (Art. 4427 (7), N. R.)

(*a*) When such authorized absence is for less than one day, and ration is not checked on pay roll, cost of subsistence shall be paid on public bill, under appropriation "Pay, Miscellaneous." (Art. 4427 (7), N. R. See Comp. Dec., Dec. 9, 1907.)

(*b*) "1. Beginning August 1, 1918, subsistence for enlisted and enrolled personnel is authorized as follows:

"(a) For persons on duty at shore stations or on detached duty from vessels or shore stations, for whom neither quarters or messing facilities are available, two dollars ($2) per day. (Not authorized for any person lodged or subsisted to any extent, at Government expense.)

"(b) For enlisted and enrolled persons attached to traveling recruiting parties, three dollars ($3) per day.

"(c) For enlisted or enrolled persons on detached duty at stations at which there are quarters and facilities for messing together, and at which the total number does not exceed twenty-five, one dollar ($1) per day.

"(d) For enlisted or enrolled persons on duty at temporary stations, or stations just being established at which there are quarters and facilities for messing together and at which the number is less than one hundred, seventy-five cents ($0.75) per day. No station will be considered temporary that has been organized for a longer period than three months. At all permanent stations and at stations that may hereafter assume a permanent status and to which no supply officer is attached, at which the total number exceeds twenty-five, regular messes will be established and the men will be subsisted in accordance with instructions contained in article I–4549, the ration allowance under these instructions being that sum prescribed each three months by the Bureau of Supplies and Accounts for vessels not carrying supply officers.

"(e) At permanent stations where there is a supply officer and where a general mess is established with a complement in excess of one hundred, the Navy ration in kind will be issued.

"(f) All cases of enlisted men not covered by subparagraphs (a), (b), (c), (d), and (e), for whom subsistence is desired owing to lack of suitable quarters, shall be referred to the bureau.

(*c*) Men of the Regular Navy (or of the Naval Coast Defense Reserve), on duty entitling them to subsistence, "while unavoidably detained or absent from vessels to which attached under orders," or "on detached duty," may be credited on the pay roll with the per diem rate of subsistence previously established by the Navy Department. When such credit is made, subsistence ration must be stopped on board ship and no commutation thereof be given. (Comp. Dec., Mar. 23, 1917.) This does not apply to absence with or without leave.

21. Divers, Service as.—"Enlisted men of the Navy, not under instruction or diving for practice, shall when employed in submarine diving, receive extra compensation therefor, to be charged to the bureau for which the service is performed, at the rate of $1.20 per hour for the active time so employed under water." 22. Duty in Fireroom, Seamen and Seamen Second Class.—Seamen and seamen second class detailed for duty as firemen shall receive in addition to the pay of their ratings extra pay at the rate of 33 cents per day for the time so employed. (Sec. 1570, R. S.; Art. 4427 (16), N. R.)

(*f*) **Assistant Navy Mail Clerks.**—"Enlisted men of the Navy or Marine Corps designated as assistant Navy mail clerks shall receive for their services $15 per month in addition to the monthly pay of their rating." In order to sustain a charge for such additional payment the supply officer must produce, upon the settlement of his account, a certificate from the commanding officer that the persons to whom such additional compensation has been allowed did reenlist as aforesaid or were detained by such commanding officer under the provisions of the said section." (Art. 4427 (15), N. R.)

(Comp. Dec., Oct. 19, 1916.)

(*d*) An enlisted man on foreign sea duty who is under treatment in a hospital when his enlistment expires, and who upon his discharge from treatment is not sent home by first available transport but is ordered to duty on board a receiving ship, is entitled to one-fourth additional for the period retained. (*e*) See paragraph 9 relative to time to be made good due to absence, own misconduct.

32. Honorable Discharge Gratuity.—"That the term of enlistment of all enlisted men of the United States Navy other than those who are enlisted during minority shall be four years.

"That the term of enlistment of any enlisted man in the Navy may, by his voluntary written agreement, under such regulations as may be prescribed by the Secretary of the Navy with the approval of the President, be extended for a period of either one, two, three, or four full years from the date of expiration of the then existing four-year term of enlistment, and subsequent to said

date such enlisted men as extend the term of enlistment as authorized in this section shall be entitled to and shall receive the same pay and allowances in all respects as though regularly discharged and reenlisted immediately upon expiration of their term of enlistment, and such extension shall not operate to deprive them upon discharge at the termination thereof of any right, privilege, or benefit to which they would be entitled at the expiration of a four-year term of enlistment.

"That section 1573 of the Revised Statutes of the United States as amended by section 16 of an act entitled 'An act to reorganize and increase the efficiency of the personnel of the Navy and Marine Corps of the United States,' approved March 3, 1899, be, and the same is hereby, amended to read as follows: 'If any enlisted man or apprentice, being honorably discharged, shall reenlist for four years within four months thereafter, he shall, on presenting his honorable discharge or on accounting in a satisfactory manner for its loss, be entitled to a gratuity of four months' pay equal in amount to that which he would have received if he had been employed in the actual service: *Provided*, That any enlisted man in the Navy whose term of enlistment has been extended for an aggregate of four years shall, after the expiration of the preceding four-year term of enlistment upon which the extension is made and if otherwise entitled to an honorable discharge, be paid the gratuity above provided: *And provided*, That any man who has received an honorable discharge from his last term of enlistment, or who has received a recommendation for reenlistment upon the expiration of his last term of enlistment, who reenlists for a term of four years within four months from the date of his discharge, shall receive an increase of $1.36 per month to the pay prescribed for the rating in which he serves for each successive reenlistment: *And provided further*, That an extension of the period of enlistment as hereinbefore authorized, aggregating four years, shall be held and considered as equivalent to continuous service with respect to all rights, privileges, and benefits granted for such service pursuant to law.'" (Act Aug. 22, 1912.)

"*Provided*, That men who have enrolled in the Fleet Naval Reserve within four months of the date of their discharge from the regular naval service shall, upon reenlistment in the regular naval service within four months of the date of discharge from the Fleet Naval Reserve, be entitled to the same gratuity and additional pay as if they had reenlisted in the regular naval service within four months of discharge therefrom." (Act Aug. 29, 1916.)

(*a*) The honorable discharge gratuity is computed at the rate of base pay plus permanent additions thereto, but not including transient additions which require a special detail, such as gun pointer, messman, etc. (Comp. Dec., Mar. 27, 1903; June 19, 1906.)

(*b*) An enlisted man who extends his enlistment for one year in accordance with the provision authorizing the extension of terms of enlistment which appear in the act making appropriations for the naval service for the fiscal year ending June 13, 1913, approved August 22, 1912, is entitled to the continuous-service pay of $1.36 per month authorized by section 1573, Revised Statutes, but is not entitled to the payment of the four months' gratuity pay, since the payment of this gratuity is limited to those whose terms of enlistment are extended for an aggregate of *four* years. (Comp. Dec., Oct. 11, 1912.)

(*c*) An enlisted man who enrolls in the Naval Coast Defense Reserve within four months after honorable discharge from the Navy, and during such enrollment reports for active duty in time of war, is not entitled to honorable discharge gratuity, as it is not a gratuity which a corresponding enlisted man of the Navy would get for service in a current enlistment; but he would be entitled to citizenship (G. O. 34) and C. S. C. pay under the same conditions as a corresponding enlisted man of the Navy. (Comp. Dec., May 31, 1917.)

(*d*) A man who reenlists in the Navy within four months after honorable discharge from an extended enlistment is entitled to the four months' gratuity computed at the same rate as that he was receiving at the time of his actual discharge. (Comp. Dec., May 26, 1917.)

(*e*) In computing honorable discharge gratuity, the flat base increase authorized by act of May 22, 1917, is not included. (Comp. Dec., June 15, 1917.)

The allowance of for " all other enlisted men," by act July 1, 1918, is as follows: " Outfits for all enlisted men and apprentice seamen of the Navy on first enlistment at not to exceed $100 each."

NOTE.—The provision contained in Article 3601 (3) Navy Regulations, 1913, relative to the refund of uniform gratuity by persons discharged within the first six months of an enlistment for any cause other than disability incurred in the line of duty, was revoked by the Secretary of the Navy, 2 October, 1917. (Bu. Nav. Circular letter 34–17.)

(*a*) In connection with the clothing bounty the "first enlistment" refers to the first enlistment in the Navy and has no reference to a previous enlistment in some other branch of the military service. (Comp. Dec., Mar. 27, 1914.)

(*b*) Where a man is discharged prior to expiration of enlistment, refunds value of clothing outfit received, and subsequently reenlists, he is entitled to outfit not exceeding authorized allowance. (Comp. Dec., July 29, 1916.)

(*c*) An enlisted man who, upon being furloughed, is required to refund value of clothing outfit, is, upon being recalled to active service, entitled to clothing allowance of not to exceed authorized allowance during his entire first enlistment. (Comp. Dec., Sept. 29, 1916.)

(4) "Men discharged by medical survey, if residents of the United States or of the insular possessions of the United States, shall at the time of their discharge be furnished transportation to their homes, with subsistence and transfers en route, or cash in lieu thereof." (Art. 3606 (6), N. R.)

(*a*) An enlisted man of the Navy who extends his enlistment is not entitled to travel allowance at the expiration of the four-year period for which he originally enlisted. He is entitled to travel allowance on discharge by termination of enlistment, as extended, from place of discharge to place of original enlistment. (Comp. Dec., May 28, 1914.)

(*b*) An enlisted man furloughed without pay in accordance with the act of August 29, 1916, who is recalled to serve the unexpired portion of his enlistment is entitled to travel allowance on discharge at expiration of enlistment. (Comp. Dec., Sept. 16, 1918.)

(Army act July 9, 1918.)

They will be given the consideration shown officers in all cases affecting pay and allowances." (Bu. Memo. 209, p. 4592.)

(*a*) Pay of nurses will be counted from date oath is taken (if not prior to date of appointment), when followed by entrance on active duty. (Comp. Dec. Nov. 17, 1913.)

(Army Act, July 9, 1918.)

A nurse, having been attached to a station beyond the continental limits of the United States, who elects to take leave beyond such limits without returning to the United States, shall be entitled to the extra pay of $10 per month during the period of leave with pay. (Comp. Dec., Jan. 25, 1916.)

(*a*) As members of the Nurse Corps (female) of the Navy are entitled to the same traveling allowances as the members of the Nurse Corps (female) of the Army, the Army Regulations (prescribing classes of expenses and maximum amounts allowed therefor for Army nurses when traveling under orders) must be held to apply to the members of the Nurse Corps (female) of the Navy when traveling under orders. (*b*) A reserve nurse of the Navy Nurse Corps is entitled to pay from the date of leaving her home under orders to place of reporting for duty. (Comp. Dec., Feb. 6, 1918.)

Pay and Allowances of Naval Reserve Force.

(Acts of Aug. 29, 1916; July 1, 1918.)

1. The Naval Reserve Force is divided into six classes, designated as follows:

Class 1. The Fleet Naval Reserve.
Class 2. The Naval Reserve.
Class 3. The Naval Auxiliary Reserve.
Class 4. The Naval Coast Defense Reserve.
Class 5. Naval Reserve Flying Corps.
Class 6. The Volunteer Naval Reserve.

2. Regulations, Promotions, Reenrollments.—"Enrolled members of the Naval Reserve Force when in active service shall be subject to the laws, regulations, and orders for the government of the regular Navy * * *." (Act July 1, 1918.)

In time of peace no officer of any class of the Naval Reserve Force shall be promoted above the grade of lieutenant commander, "but in time of war or other national emergency officers of the Naval Reserve Force of and above the grade of lieutenant commander in active service shall be eligible for selection for promotion to the next higher grade or rank." (Act July 1, 1918.)

"That in time of peace the Secretary of the Navy is authorized, in his discretion, to order any member of the Naval Reserve Force, with his consent, who has been confirmed in his rank, grade, or rating, to perform any duty afloat for any period of time for which his services may be required: *Provided*, That such members may be relieved from duty by the Secretary of the Navy at any time and shall, upon their own application, be released from said duty within four months from the date of their application therefor." (Act July 1, 1918.)

"That all members of the Naval Reserve Force shall be eligible for reenrollment in the rank, grade, or rating held on the termination of their last enrollment." (Act July 1, 1918.)

3. Retainer Pay—Prior to Confirmation.—"The retainer pay of all members of the Naval Reserve Force except the Volunteer Naval Reserve while enrolled in a provisional rank or rating, and until such time as they shall have been confirmed in such rank or rating, shall be $12 per annum." (Act Aug. 29, 1916.)

This pay is paid to members by the Government in return for their obligation to serve in the Navy in time of war or national emergency. This pay "shall be in addition to any pay to which a member may be entitled by reason of active service," (Act Aug. 29, 1916) except "that in time of peace no member of any class of the Naval Reserve Force shall be entitled to retainer pay when assigned to active duty for purposes other than training." (Act July 1, 1918.)

4. Retainer Pay—After Confirmation.—After *confirmation* in rank, grade, or rating the annual retainer pay of members of the Naval Reserve Force, except officers in the Naval Auxiliary Reserve and transferred members of the Fleet Naval Reserve, "shall be the equivalent of two months' base pay of the corresponding rank, grade, or rating in the Navy but the highest base pay upon which the retainer pay of officers of the Naval Reserve Force shall be computed shall not be greater than the base pay of a lieutenant commander. Service in the Navy, Marine Corps, National Naval Volunteers, and Naval Militia shall be counted as continuous service in the Naval Reserve Force both for the purposes of retirement and of computing retainer pay: * * * "*Provided* * * * that *no retainer pay* of any member of the Naval Reserve Force except those enlisted men transferred to the Fleet Naval Reserve after 16 or 20 or more years' naval service *shall be in excess* of the amount authorized to members having had 16 years continuous service therein" (Act July 1, 1918).

" * * * But any member [of the Fleet Naval Reserve—except transferred enlisted men] who has failed to perform three months' active service with the Navy in any term of enrollment shall, on the next reenrollment, receive retainer pay at the rate of $12 per annum until such time as he shall have completed three months' active service." (Act Aug. 29, 1916.)

(*a*) "The provision of the act of August 29, 1916, * * * specifically exempts members of the Fleet Naval Reserve from the requirement that they be given a provisional rating upon *first enrollment*, and in actual operation such members are, by direction of the Navy Department, presumed to be given a confirmed rating. The provisions of the act restricting confirmation until the minimum amount of active service has been given and the member has duly qualified by examination does not apply to the enrolled members of the Fleet Naval Reserve as they hold no such provisional rating * * * I am of opinion that upon original enrollment, members enrolled in enlisted ratings in the Fleet Naval Reserve are entitled to retainer pay computed on the pay of the rating given them at the time of original enlistment." (Comp. Dec., Oct. 29, 1918.)

NOTE.—The foregoing applies to men enrolled in enlisted ratings. Officers are expressly given confirmed rank where such is intended.

(*b*) An enrolled member of the Fleet Naval Reserve who is commissioned in another class of the Naval Reserve Force continues to receive retainer pay at the rates he was receiving at time of transfer. (Comp. Dec., Dec. 11, 1918.)

5. Retainer Pay, Reenrollment.—"Service in the Navy, Marine Corps, National Naval Volunteers, and Naval Militia shall be counted as continuous service in the Naval Reserve Force both for the purpose of retirement and of computing retainer pay." (Act July 1, 1918; Comp. Dec., Oct. 14, 1918.)

Members who reenroll for four years within four months after discharge from a previous enrollment, and who have performed during such previous enrollment, the minimum amount of active service "shall for each such enrollment receive an increase of 25 per cent of their base retainer pay." (Act Aug. 29, 1916.) Such total increases, however, are limited to 100 per cent (Comp. Dec., Jan. 15, 1919.)

(*a*) "An enlisted man who enrolled in the former Naval Reserve within four months after his discharge from the Navy, and who was serving therein on August 29, 1916 (date of approval of Naval Reserve Force enactment), and who prior to July 1, 1917, enrolls in the Fleet Naval Reserve, is considered to have therein enrolled within four months of his discharge from the Navy and therefore entitled to 25 per cent increase in retainer pay." (Comp. Dec., Sept. 29, 1917).

6. Pay and Allowances—Active Service.—Members of the Naval Reserve Force when employed in active service ashore or afloat, under the Navy Department, shall receive the same pay and allowances as received by the officers and enlisted men of the regular Navy of the same rank, grades, or ratings and of the same length of service, which shall include service in the Navy, Marine Corps, Naval Reserve Force, Naval Militia, National Naval Volunteers or Marine Corps Reserve." (Act July 1, 1918.)

(*a*) An officer of the Naval Reserve Force detached from duty and ordered to await orders is entitled to the same pay while awaiting orders that an officer of similar rank and length of service in the regular Navy would be entitled to. (Comp. Dec., Apr. 24, 1918.)

(*b*) An officer of the Naval Reserve Force holding provisional rank in one grade promoted without examination to the next higher grade with provisional rank is entitled, on active duty, to the pay of the higher grade from date of acceptance of appointment. (Comp. Dec., May 6, 1918.)

(*c*) Members of the Naval Reserve Force on active duty receiving a per diem subsistence are not entitled to either subsistence or pay during periods of unauthorized absence. (Comp. Dec., June 20, 1918.)

(*d*) Members of the Naval Reserve Force in enlisted ratings, on active duty are entitled to increase of pay for continuous service and G. O. 34, for previous service in the Naval Militia and National Naval Volunteers.

A copy of State records, certified to by the adjutant general of the State, should be filed as pay roll substantiating vouchers. If State records are incomplete other authoritative or reliable records may be accepted. (Comp. Dec., Aug. 16, 1918.) Before crediting any pay due to such previous service the foregoing decision should be carefully read.

(*e*) Officers of the Naval Reserve Force on active duty are entitled to longevity for prior service in the Naval Militia and National Naval Volunteers. A copy of the State records, certified to by the adjutant general of the State should be filed as pay roll voucher in each case. Where State records are not complete other authoritative or reliable records may be accepted—see decision. (Comp. Dec., Aug. 16, 1918.)

(*f*) Members of the Naval Reserve Force transferred to the Fleet Naval Reserve upon expiration of enlistment completing 16 years in the regular Navy, are entitled, when on active duty under the Navy Department, to C. S. C. pay, and if a citizen, to pay under "G. O. 34" but not to honorable discharge gratuity. (Comp. Dec., Aug. 27, 1918.)

7. Minimum Active Service.—The minimum active service required for maintaining the efficiency of members of the Naval Reserve Force is as follows:

The Fleet Naval Reserve: Three months' active service with the Navy in any term of enrollment, which may be taken in one or more periods at the election of the member. (Act Aug. 29, 1916.) (This does not apply to transferred members of the Fleet Naval Reserve.)

The Naval Reserve: Two months during each term of enrollment and an attendance at not less than 36 drills during each year, or other equivalent duty. The active service may be in one period or in periods of not less than 15 days each. (Act July 1, 1918.)

The Naval Auxiliary Reserve: As may be prescribed by the Secretary of the Navy. (Act Aug. 29, 1916.)

The Naval Coast Defense Reserve: Same as for the Naval Reserve.

The Volunteer Naval Reserve: No period specified.

The Naval Reserve Flying Corps: Same as for the Naval Reserve.

8. Clothing.—Members of the Naval Reserve Force shall, upon first reporting for active service for training during each enrollment, be credited with a uniform gratuity or to a "gratuitous issue of uniform" as follows:

In time of peace, officers, $50. (Act Aug. 29, 1916.)

In time of peace, members other than officers, such gratuitous issue of uniform as may be prescribed by Secretary of the Navy. (Act July 1, 1918.)

In time of war or national emergency, officers, $150. (Act Aug. 29, 1916.)

In time of war or national emergency, members other than officers enrolling on or subsequent to July 1, 1918, the same gratuitous issue of uniform as that prescribed for enlisted men of the Navy. (Act July 1, 1918.) This was fixed by act July 1, 1918, "not to exceed $100 each." (See Comp. Dec., Aug. 5, 1918; Oct. 4, 1918.)

In time of war or national emergency and during a current enrollment where a member has previously been credited the peace-time gratuity, such member would be entitled to the war-time gratuity less previous peace-time credits. If a member severs his connection with the service without compulsion on the part of the Government before the term of enrollment has expired, "the amount so credited shall be deducted from any money that may be or may become due him." (Act Aug. 29, 1916.)

(Comp. Dec., Aug. 7, 1918.) But officers and men of the National Naval Volunteers transferred to the Naval Reserve Force under provisions of G. O. 400 are not entitled to credit for the uniform gratuity (Comp. Dec. Aug. 5, 1918), except that where a member, subsequent to transfer, is commissioned, when he becomes entitled to the difference between that allowed an enlisted man and an officer. (Comp. Dec., Feb. 6, 1919.)

(*c*) A member of the Naval Reserve Force discharged therefrom in order to enlist in the Navy should have deducted from his account prior to such discharge the amount with which he had been credited for uniform gratuity during his enrollment. (*c*) By transfer from the naval service, upon voluntary application and in the discretion of the Secretary of the Navy, enlisted men at the expiration of an enlistment completing 16 years' naval service, who may then be entitled to an honorable discharge.

(Both dates inclusive; see 13 Comp., 632.) (Act Mar. 2, 1901; 31 Stat., 903.) (See also act of Mar. 3, 1901; 31 Stat., 1108, and Army act of June 30, 1902.)

(*b*) By the act of June 12, 1906 (34 Stat., 247), officers serving in Porto Rico and Hawaii are excepted from the provisions of the above act (13 Comp., 33). This does not include the Marine Corps; see note below, case of Vulte *v.* U. S.

An officer or enlisted man of the Marine Corps serving in Porto Rico since the act of March 2, 1901 (31 Stat., 903), is respectively entitled to 10 and 20 per cent increase of pay for such service, as well as during the outward and return voyages. (Court of Claims of the United States No. 30481 (decided Apr. 1, 1912), Nelson P. Vulte *v.* the United States.) Under this decision officers and men of the Marine Corps continued to be entitled to 10 and 20 per cent increase while serving in Canal Zone, Panama, Hawaii, or Porto Rico until the act of August 24, 1912, quoted in (*f*) below.

(*d*) The 10 per cent increase for foreign service is computed on base pay and permanent additions only. (Sup. Ct., Mar. 13, 1905; Mills Dec. and Compts. Dec., May 19 and June 4, 1915; 21 Compt. 811 and 848, respy.)

Under the above, foreign-service pay of officers should be computed on base and longevity pay only.

(See also Comp. Dec., Nov. 7, 1911; p. 1912, Bu. Memo. No. 129.) (Comp. Dec. Mar. 22, 1912.)

(*h*) "*Provided further*, That marine gunners and quartermaster clerks of the Marine Corps assigned on foreign shore service shall be entitled to the same increased compensation and under the same conditions as is now or hereafter allowed by law to commissioned officers of the Marine Corps." (Act Mar. 4, 1917, 39 Stat., 1188.)

(*i*) SEA PAY—*Provided*, That the increased compensation as now fixed by law for the Marine Corps for foreign-shore service shall hereafter be paid to the officers and enlisted men of that corps while on sea duty, in the same manner and under the same

conditions as is provided by the act approved May 13, 1908, for officers of the Navy. (Act Mar. 3, 1915.) Officers and men are not entitled to sea pay under this act while in confinement awaiting or undergoing trial (Compts. Dec., Aug. 24, 1915; Bu. Memo. 174, p. 3766), nor while on leave or furlough (see Compt. Dec., June 8, 1915, Memo. 172, p. 3703). Entitled to sea pay for duty performed at sea under orders though not formally or technically attached to the vessel as part of her complement (see 22 Compt., 271).

6. Pay for Providing Mounts.—(*a*) "In case any officer below the grade of major, required to be mounted, provides himself with suitable mounts at his own expense, he shall receive an addition to his pay of $150 per annum if he provides one mount, and $200 per annum if he provides two mounts." (*b*) Officers required by regulations or orders from proper authority to be mounted may obtain the additional pay for providing such mounts in the following manner: By filing with the first voucher (N. M. C. 423) on which credit is claimed duplicate copies of their orders requiring them to be mounted, together with proper certificates from their commanding officer that the mount, or mounts, are in all respects suitable for the military service, and conform to the standards for mounts prescribed by proper authority (citing authority). (*c*) An officer of the Marine Corps required to be mounted, and who provides himself with a suitable mount at his own expense, is, while temporarily detached from the station where his mount is kept, entitled to mounted pay, so long as his mount is actually and exclusively owned and kept for his use in the military service. (Comp. Dec., Apr. 19, 1912.)

7. Pay, Aviation Duty.—(*a*) That from and after the passage and approval of this act the pay and allowances that are now or may be hereafter fixed by law for officers of the Navy and Marine Corps shall be increased thirty-five per centum for such officers as are now or may hereafter be detailed by the Secretary of the Navy on aviation duty: *Provided*, That this increase of pay and allowances shall be given to such officers only as are actual flyers of heavier-than-air craft, and while so detailed: *Provided further*, That no more than thirty officers of the Navy and Marine Corps shall be detailed to aviation service: *Provided further*, That no officer above the rank of lieutenant commander in the Navy or major in the Marine Corps shall be detailed for actual flying. (*c*) The act approved August 29, 1916, provides that the number of officers detailed to duty in air craft involving actual flying in any one year shall be in accordance with the requirements of the air service as determined by the Secretary of the Navy: *Provided*, That the officers so detailed from the line of the Navy and from the Marine Corps shall not exceed the total number herein prescribed for the Naval Flying Corps. The officers detailed and the enlisted men of the Naval Flying Corps shall receive the same pay and allowances that are now provided by law for officers and enlisted men of the same grade or rank and rating in the Navy and Marine Corps detailed to duty with air craft involving actual flying.

(*d*) The act approved August 29, 1916, provides that nothing in this act shall be so construed as to prevent the detail of officers and enlisted men of other branches of the Navy as student aviators or student airmen in such numbers as the needs of the service may require. Such officers and enlisted men, while detailed as student aviators and student airmen involving actual flying in air craft, shall receive the same pay and allowances that are now provided by law for officers and enlisted men of the same grade or rank and rating in the Navy detailed for duty with air craft.

(*e*) This increase applies to base and longevity pay and to all allowances except those furnished in kind. Mileage is an allowance within the meaning of this law. (19 Comp., 649.) Not computed on sea or foreign service pay. (See 22 Comp., p. 11.) Entitled to increase while on leave. (See Comp. Dec., Bu. Memo., 162, p. 3333.)

(*b*) "The commissioned officers of the Marine Corps shall be retired in like cases, in the same manner, and with the same relative conditions in all respects, as are provided for officers of the Army * * *." (R. S., 1622.)

(*c*) Officers below the grade of lieutenant colonel assigned to active duty are entitled, while so assigned, to receive the full pay and allowances of their respective grades, but retired officers above the grade of major, assigned to active duty, receive only the full retired pay of their grade, except that a colonel or lieutenant colonel, assigned to active duty, shall receive the same pay and allowances as a retired major would receive under a similar assignment. (Act of June 12, 1906.)

The act approved August 29, 1916, provides that hereafter any retired officer of the naval service who shall be detailed on active duty shall, while so serving, receive the active duty pay and allowances of the grade, not above that of lieutenant commander in the Navy or of major in the Marine Corps, that he would have attained in due course of promotion if he had remained on the active list for a period beyond the date of his retirement equal to the total amount of time during which he has been detailed on active duty since his retirement: *Provided*, That nothing herein shall be construed to reduce the pay of any retired officer on active duty whose retired pay exceeds the active-duty pay and allowances for the grade of lieutenant commander.

(*d*) "*Provided*, That assignments which have been, or may hereafter be made, of retired officers of the Army to active duty as acting quartermasters shall be regarded as assignments to staff duties not involving service with troops within the meaning of the act of Congress approved April twenty-third, nineteen hundred and four."

(*e*) "*Provided further*, That hereafter any retired officer of the Army who has been detailed to active duty, and who has, since his retirement, served on active detail, shall be entitled to increases of longevity pay to be computed as provided by existing statute for the computation of longevity pay, for the time of his service before retirement and on active detail since his retirement." (Act July 1, 1918.)

(*g*) That during the existence of war or of a national emergency, declared as aforesaid, any commissioned or warrant officer of the Navy, Marine Corps, or Coast Guard of the United States on the retired list, while on active duty, may be temporarily advanced to and commissioned in such higher grade or rank on the retired list, not above that of lieutenant commander in the Navy or major in the Marine Corps or captain in the Coast Guard, as the President may determine, and any officer so advanced, shall, while on active duty, be entitled to the same pay and allowances as officers of like grade or rank on the active list: *Provided*, That any such commissioned or warrant officer who has been so temporarily advanced in grade or rank shall, upon his relief from active duty, or in any case not later than six months after the termination of the war or of the national emergency, declared as aforesaid, revert to the grade or rank on the retired list and to the pay and allowance status which he would have held had he not been so temporarily advanced: *Provided further*, That nothing in this act shall operate to reduce the pay and allowances now allowed by law to retired officers. (Act July 1, 1918.)

(*h*) *Provided further*, That hereafter any retired officer of the Army who has been detailed to active duty, and who has since his retirement served on active detail, shall be entitled to increases of longevity pay to be computed as provided by existing statute for the computation of longevity pay, for the time of his services before retirement and on active detail since his retirement. (Act May 12, 1917.)

1. Pay Assimilated with Army.—(*a*) * * * "The enlisted men of the Marine Corps shall be entitled to receive the same pay and bounty for reenlisting as are or may be provided by or in pursuance of law for * * * enlisted men of like grades in the Infantry of the Army." (R. S., 1612.)

(*b*) "No officer or enlisted man absent from duty on account of sickness, disease, or injury resulting from his own intemperate use of drugs, alcoholic liquors, or other misconduct shall receive pay for such period of absence." (Acts of Apr. 27, 1914, and Aug. 29, 1916; July 1, 1918.)

(*c*) *Sergeant majors and quartermaster sergeants* are entitled to the pay of regimental sergeant majors and regimental quartermaster sergeants, United States Army, respectively. (6 Comp. Dec., 599.)

(*d*) That the *pay of drum major* shall be the same as that now established, or that may be hereafter established, for first sergeants in the Marine Corps of the same length of service. (Naval appropriation act, approved July 26, 1894.)

(*e*) *Gunnery sergeants* have the rank and allowances, including continuous-service pay, of a first sergeant and pay at the rate of $45 per month. (Act of Aug. 22, 1912.)

(*f*) *The pay of members of the United States Marine Band* is fixed by the act of August 29, 1916. By this act the leader of the band is given the pay and allowances of a captain, the second leader is given the allowances of a sergeant major, and the musicians the allowances of a sergeant.

(*g*) **Bounty for Reenlistment.**—"That hereafter any private soldier, musician, or trumpeter honorably discharged at the termination of his first enlistment period who reenlists within three months of the date of said discharge shall, upon such reenlistment, receive an amount equal to three months' pay at the rate he was receiving at the time of his discharge." (Act May 11, 1908.) Three months' pay includes all pay a man was receiving at the time of his discharge. (Comp. Dec., June 8 and 11, 1908.) Drummers in the Marine Corps are also entitled to receive the three months' pay provided in the act of May 11, 1908. (Comp. Dec., Jan. 28, 1909.) War pay, act of May 18, 1917, to be included in computing bounty. (Comp. Dec., Dec. 13, 1917.)

(*h*) That sections 1280, 1281, and 1284 of the Revised Statutes be, and are hereby, repealed. * * * (Act May 11, 1908.)

(*i*) That nothing herein contained shall be construed so as to reduce the pay or allowances now authorized by law for any officer or enlisted man of the Army, and all laws or parts of laws inconsistent with the provisions of this act are hereby repealed. (Act May 11, 1908.)

An enlisted man of the Marine Corps detained beyond the expiration of his enlistment to await trial by court-martial and who is acquitted is entitled only to his regular pay while so held. (Comp. Dec., Apr. 9, 1912.)

(j) **Travel Pay.**—The national-defense act, approved June 3, 1916, provides that on and after July 1, 1916, an enlisted man when discharged from the service, except by way of punishment for an offense, shall receive 3½ cents per mile from the place of his discharge to the place of his acceptance for enlistment, enrollment, or original muster into the service, at his option: *Provided*, That for sea travel on discharge, transportation and subsistance only shall be furnished to enlisted men.

Enlisted men discharged on account of fraudulent enlistment, desertion, by purchase, for own convenience, or while in the hands of the civil authorities, are not entitled to travel allowance under the above law.

"*And provided further*, That in the discretion of the Secretary of War, and under such regulations as he may prescribe, travel pay at the rate now prescribed by law for discharged soldiers may be given to all enlisted men for whom the law authorizes travel allowances as an incident to their entry upon and relief from active duty with the Army. (Act July 9, 1918.)

"That an enlisted man honorably discharged from the Army, Navy, or Marine Corps since November eleventh, nineteen hundred and eighteen, or who may hereafter be honorably discharged, shall receive five cents per mile from the place of his discharge to his actual bona fide home or residence, or original muster into the service, at his option: *Provided*, That for sea travel on discharge, transportation and subsistence only shall be furnished to enlisted men: *Provided*, That naval reservists duly enrolled who have been honorably released from active service since November eleventh, nineteen hundred and eighteen, or who may hereafter be honorably released from active service, shall be entitled likewise to receive mileage as aforesaid." (Act of Feb. 28, 1919.)

(*k*) **Hospital Fund.**—Twenty cents per month will continue to be deducted from the above rates, as usual, for the naval hospital fund.

PAY—CONTINUOUS SERVICE.

2. (*a*) "Hereafter any soldier honorably discharged at the termination of an enlistment period, who reenlists within three months thereafter, shall be entitled to continuous service pay as herein provided, which shall be in addition to the initial pay provided for in this act and shall be as follows, namely: For those whose initial pay as provided herein is $36 or more, an increase of $4 monthly pay for and during the second enlistment, and a further increase of $4 for and during each subsequent enlistment up to and including the seventh enlistment. For those whose initial pay as provided for herein is $18, $21, $24, or $30, an increase of $3 monthly pay for and during the second enlistment, and a further increase of $3 for and during each subsequent enlistment up to and including the seventh, after which the pay shall remain as in the seventh enlistment. For those whose initial pay as provided herein is $15 and $16, an increase of $3 monthly pay for and during the second and third enlistments each, and a further increase of $1 for and during each subsequent enlistment up to and including the seventh, after which the pay shall remain as in the seventh enlistment: *Provided*, That hereafter any soldier honorably discharged at the termination of his first or any succeeding enlistment period who reenlists after the expiration of three months shall be regarded as in his second enlistment; that an enlistment shall not be regarded as complete until the soldier shall have made good any time lost during an enlistment period by unauthorized absences exceeding one day, but any soldier who receives an honorable discharge for the convenience of the Government after having served more than half of his enlistment shall be considered as having served an enlistment period within the meaning of this act; that the present enlistment period of men now in service shall be determined by the number of years' continuous service they have had at the date of the approval of this act, under existing laws, counting three years to an enlistment, and the former service entitling an enlisted man to reenlisted pay under existing laws shall be counted as one enlistment period." (Army act, May 11, 1908.) By the act of August 24, 1912, it is provided "That for all enlistments hereafter accomplished under the provisions of this act four years shall be counted as an enlistment period in computing continuous-service pay." For application of this law to the Marine Corps, see Comptroller's Decisions, September 4, 1913, Bureau Memoranda, No. 150, page 2758. "The national-defense act of June 3, 1916, provides that for all enlistments accomplished after November 1, 1916, three years shall be counted as an enlistment period in computing continuous-service pay."

(*b*) The only method which will place the enlisted men of the Army and Marine Corps on as nearly an equal footing as possible and give effect to section 1612 of the Revised Statutes as far as possible in connection with the requirements of the act of May 11, 1908, above, is to hold that a new enlistment period for men of the Marine Corps begins after a continuous service of three years without regard to discharge and reenlistment, except that the men must remain continuously in the service. (Comp. Dec., Aug. 8, 1908.)

(*c*) In computing continuous service of marines for purpose of pay, only service in the Army and Marine Corps is counted. In counting Marine Corps service it is prescribed under the act of May 11, 1908, and the decision of the Comptroller of August 8, 1908, above mentioned, to count three years to an enlistment for all continuous service (except the time a soldier is held in service beyond the expiration of his enlistment subsequent to the act of May 11, 1908, and as otherwise provided in said act—see Comp. Dec., Oct. 9, 1909, case of Sergt. West, and Oct. 28, 1909, case of Pvt. Daly), whether prior or subsequent to May 11, 1908, and in addition thereto to count one enlistment period for former service entitling the soldier to reenlistment (class 3) pay. Army service prior to May 11, 1908, is also counted on the same basis; but in counting Army service subsequent to May 11, 1908, for a man who has enlisted in the Marine Corps from the Army, such Army service should be counted on the basis of a full enlistment period, except as otherwise provided, with an honorable discharge and reenlistment within the proper time, i. e., an Army soldier is entitled upon enlisting in the Marine Corps to receive the same pay as he would have received if he had reenlisted in the Army. (Comp. Dec., Aug. 8, 1908; Army Pay Manual, 582, note 2, and Comp. Dec., June 28, 1909, case Bobolsky.)

(*d*) The provisions of the act of May 11, 1908, above mentioned, apply to soldiers reenlisting after May 11, 1908, who were honorably discharged at the termination of an enlistment period prior to the passage of said act, as well as to soldiers so reenlisting who were honorably discharged after the passage of said act. (Comp., June 11, 1908.)

(*e*) A soldier who reenters the service on or after May 12, 1908, after having remained out more than three months, is entitled to the pay of the second enlistment; but a soldier who completed one or more enlistments that did not entitle him to reenlistment pay, and reentered the service on or before May 11, 1908, having remained out over three months, is not entitled to credit for his former service.

(*f*) An enlistment shall not be regarded as complete until the soldier shall have made good any time in excess of one day lost by unauthorized absences, or on account of disease or injury resulting from his own intemperate use of drugs or alcoholic liquors or other misconduct, or while in confinement awaiting trial or disposition of his case if the trial results in conviction, or while in confinement under sentence. (Act Apr. 27, 1914; Aug. 29, 1916, as amended by act July 1, 1918.)

(*g*) The second leader of the Marine Band is entitled to the continuous-service pay of a regimental sergeant major. The first and second class musicians of the band are not allowed continuous-service pay. (See sec. 24, personnel act, Mar. 3, 1899, 5 Comp., 745, and Comp. Dec., June 30, 1908.)

(*h*) The continuous service of retired enlisted men is counted in the same manner as is provided for counting the past services of men on the active list. (Comp. Dec., June 26, 1908.)

(*i*) Service in the Army of less than one-half of the regular enlistment period and terminated by the purchase of discharge should not be included in determining, as far as pay is concerned, the date upon which a subsequent enlistment period is to begin. (Comp. Dec., Mar. 20, 1912.)

(*j*) Enlisted men of the Marine Corps reenlisting after remaining out of the service over three months are required to make up time lost in the preceding enlistment before becoming entitled to pay as in second enlistment. (Comp. Dec., Feb. 4, 1918.)

(*k*) That any enlisted man of the Navy or Marine Corps upon the retired list who has been ordered into active service since April sixth, nineteen hundred and seventeen, or who may hereafter be ordered into active service, shall be eligible for promotion and he shall be entitled to the pay and benefits of continuous service of such rank and for such length of time as he is or has been employed in active service, and when relieved of active service shall retain upon the retired list the rank and service held by him at the time of such relief, with the pay and allowances of such rank on the retired list; and the accounting officers of the Treasury are hereby directed to allow in the accounts of any enlisted man of the Navy or Marine Corps who resigned from the retired list in order to reenlist for appointment in a higher grade, the same continuous service pay and the benefits of such rank to which he may have been appointed upon reenlistment, as if his service had been continuous, and any difference in pay from the date of reenlistment shall be credited to his account. (Act July 1, 1918.)

(*l*) *Provided further*, That hereafter any enlisted man of the Army who shall be discharged to enable him to accept a commission in the Officers' Reserve Corps, or in any National Guard or militia organization, or in any volunteer force that may be authorized in the future, and who shall enlist in the Army within three months after the termination of his connection as an officer with that corps, or with any organization of the National Guard or militia, or a volunteer force, or during the continuation of his connection therewith, as an officer, shall, in computing continuous-service pay now authorized by law, be entitled to credit for the period of time actually served by him prior to said discharge, and in computing service for retirement and continuous-service pay, service as an officer of the National Guard, while in the service of the United States, service in any volunteer force, and service in the Officers' Reserve Corps in active service shall be counted. (Act May 12, 1917.)

FOREIGN-SERVICE PAY.

3. (*a*) "The pay proper of all enlisted men serving beyond the limits of the States comprising the Union and the Territories of the United States contiguous thereto shall be increased twenty per centum over and above the rates of pay proper as fixed by law for time of peace, and the time of such service shall be counted from the date of departure from the said States to the date of return thereto" (both dates inclusive). (Act Mar. 2, 1901, 31 Stat., 903. See also act of Mar. 3, 1901, 31 Stat., 1108, and Army act of June 30, 1902.)

By the act of June 12, 1906 (34 Stat., 247), enlisted men serving in Porto Rico and Hawaii are excepted from the foregoing act of March 2, 1901. (13 Comp. Dec., 33, July 21, 1906.) This does not apply to the Marine Corps and enlisted men of the Marine

Corps continued to be entitled to foreign-service pay for service in the Canal Zone, Panama, Hawaii, and Porto Rico, under the decision of the Court of Claims in the case of Nelson P. Vulte *v.* the United States, until the passage of the act of August 24, 1912, quoted below:

"That increase of pay for service beyond the limits of the States comprising the Union and the Territories of the United States contiguous thereto shall be as now provided by law." (Act May 11, 1908.) The effect of this provision is to continue the limitation imposed by the act of June 12, 1906, as to pay for service in Porto Rico and Hawaii. (Comp. Dec., June 2, 1908.) "*Provided*, That hereafter the laws allowing increase of pay to officers and enlisted men for foreign service shall not apply to service in the Canal Zone, Panama, or Hawaii, or Porto Rico." (Act Aug. 24, 1912; 37 Stat., 576.)

(*b*) "The term 'pay proper' means compensation which may properly be designated as 'pay' as distinguished from allowances." (Sup. Ct., Mar. 13, 1905.) But by the comptroller's decision of May 19, 1915 (21 Comp., p. 811), foreign-service pay is computed on base pay, pay for continuous service, and pay for good-conduct medals only.

(*c*) Enlisted men transferred from ships to foreign shore stations for the purpose of transfer to the United States or for treatment in hospital, if subsequently returned to ship, are not entitled to twenty per centum increase pay during the time ashore or while en route to the United States.

(*d*) SEA PAY. *Provided*, That the increased compensation as now fixed by law for the Marine Corps for foreign-shore service shall hereafter be paid to the officers and enlisted men of that corps while on sea duty, in the same manner and under the same conditions as is provided by the act approved May thirteenth, nineteen hundred and eight, for officers of the Navy. (Act Mar. 3, 1915.) Officers and enlisted men are not entitled to sea pay under this act while in confinement awaiting or undergoing trial (Comp. Dec., Aug. 24, 1915, Bu. Memo. 174, p. 3766), nor while on leave or furlough. (See Comp. Dec., June 8, 1915, Bu. Memo. 172, p. 3703.)

Entitled to sea pay for duty performed at sea under orders, though not formally or technically attached to the vessel as part of her complement. (See 22 Comp., 271.)

PAY, AVIATION DUTY.

4. (*a*) Hereafter enlisted men of the Navy or Marine Corps, while detailed for duty involving actual flying in air craft, shall receive the pay, and the permanent additions thereto, including allowances, of their rating and service, or rank and service, as the case may be, plus fifty per centum increase thereof. (Act Mar. 3, 1915.) This increase is computed on base pay, pay for good-conduct medals, and continuous-service pay only; but not computed on sea or foreign-service pay. (See 22 Comp., p. 11.) Men are entitled to increase while on furlough. (See Bu. Memo. 162, p. 3333.)

(*b*) The officers detailed and the enlisted men of the Naval Flying Corps shall receive the same pay and allowances that are now provided by law for officers and enlisted men of the same grade or rank and rating in the Navy and Marine Corps detailed to duty with air craft involving actual flying. (Act Aug. 29, 1916.)

(*c*) Nothing in this act shall be so construed as to prevent the detail of officers and enlisted men of other branches of the Navy as student aviators or student airmen in such numbers as the needs of the service may require. Such officers and enlisted men, while detailed as student aviators and student airmen involving actual flying in air craft, shall receive the same pay and allowances that are now provided by law for officers and enlisted men of the same grade or rank and rating in the Navy detailed for duty with air craft.

ADDITIONAL PAY FOR SPECIAL SERVICE.

Enlisted men of the Marine Corps regularly detailed as messmen, whether for duty afloat or ashore, may be paid additional compensation as provided for enlisted men of the Navy. (R., 4427.) Under the act of May 13, 1908, enlisted men of the Marine Corps are entitled to 10 per cent increase of pay upon each good-conduct medal, pin, or bar held by them. (Comp. Dec., Jan. 19, 1910.)

For particulars as to allowance and detail of mess sergeants, cooks, and messmen, see Marine Corps Orders.

"*Provided*, That the provisions of the act of May 27, 1908 (35 Stat., 417, 418), as amended by the act of August 24, 1912 (37 Stat., 560), are hereby extended to authorize the designation of enlisted men of the Navy or Marine Corps as Navy mail clerks and assistant Navy mail clerks with expeditionary forces on shore." (Act Mar. 4, 1917, 39 Stat., 1188.)

(Act July 9, 1918.)

SEC. 4. That each enlisted or enrolled person of the naval service to whom is awarded a medal of honor, distinguished-service medal, or a Navy cross, shall, for each such award, be entitled to additional pay at the rate of $2 per month from the date of the distinguished act or service on which the award is based and each bar, or other suitable emblem or insignia, in lieu of a medal of honor, distinguished-service medal, or Navy cross, as hereinafter provided for, shall entitle him to further additional pay at the rate of $2 per month from the date of the distinguished act or service for which the bar is awarded, and such additional pay shall continue throughout his active service, whether such service shall or shall not be continuous.

(*f*) All members are, while in active service, entitled to the same pay, allowances, gratuities, etc., as officers and men of the regular service.

(*g*) Upon first reporting for active service for training during each enrollment, officers are entitled to credit with a uniform gratuity of $50. Upon reporting for active service in time of war, or other national emergency, the uniform gratuity for officers is $150. The uniform gratuity for the members other than officers, of each class of the Marine Corps Reserve (except class 1 (*c*) and 1 (*d*), Fleet Marine Corps Reserve) shall be $100, but in time of peace the Major General Commandant shall prescribe the portion of the clothing gratuity to be issued to each member, other than officers, of the Marine Corps Reserve: *Provided*, that no part of the clothing gratuity credited to members of the Marine Corps Reserve shall be deducted from their accounts when said members accept or have accepted temporary appointments in the Marine Corps in time of war or other national emergency.

Should any member voluntarily sever his connection with the service, the amount of this gratuity so credited shall be deducted from any pay due him. Clothing gratuity for men is credited by the Quartermaster Department (see par. 921 et seq., System of Accountability, U. S. M. C.). Class 1 (*c*) and class 1 (*d*) do not receive a uniform gratuity. Officers of the Marine Corps Reserve on first reporting for active duty for training, or in time of war, will be paid the proper uniform gratuity on their first pay voucher rendered after so reporting, in accordance with paragraph 283 (14 (b) and (c) of Marine Corps Orders No. 13 (series 1917)). In this connection see comptroller's decision, March 13, 1917.

(1). That the uniform gratuity for the members, other than officers, of each class of the Naval Reserve Force shall be the same as that prescribed for enlisted men of the Navy, but in time of peace the Secretary of the Navy shall prescribe the portion of the clothing gratuity to be issued to such members, other than officers, of the Naval Reserve Force. (Act July 1, 1918.)

(2). That no part of the clothing gratuity credited to members of the Naval Reserve Force shall be deducted from their accounts where such members accept or have accepted temporary appointments in the Navy in time of war or other national emergency. (Act July 1, 1918.)

(*h*) Members employed in other branches of service, except military service, may receive the pay and allowances incident thereto, in addition to their retainer pay.

(*i*) Retainer pay is $12 per annum for all reenrolled members who on any previous enrollment failed to perform 2 months' active service, until 2 months' active service is completed.

(*j*) No member shall be entitled to travel allowance (i. e., Government transportation and subsistence in the case of a man or mileage in the case of an officer) unless the period of such active service (the prescribed two months) is for not less than one month, or unless specifically provided for by such regulations as may be prescribed by the Secretary of the Navy.

(*k*) Enrolled members who have completed 20 years in the Reserve, who have performed the required active service, shall, upon their own application, be retired, and on retirement receive a cash gratuity equal to the total retainer pay during last term of enrollment.

(*l*) All enrolled members may, in time of peace, or when no national emergency exists, be discharged upon request, upon reimbursing the Government for any clothing gratuity that may have been furnished them during their current enrollment.

(*m*) Men enrolling within three months of date of discharge from the regular service who reenlist in the regular service within 3 months of the date of discharge from the Fleet Reserve are entitled to gratuity and continuous service pay.

(*n*) Enrolled members are not subject to the laws and regulations for the government of the Navy, except while in active service. While engaged in actual service for training, or when called to service in time of war or national emergency, their accounts for such service will be carried in the same manner as enlisted men in the regular service, and deduction at the rate of 20 cents per month made for hospital fund under the provisions of section 1614, Revised Statutes. (Comp. Dec., Dec. 27, 1916.)

(*o*) All the above notes are based on the provisions of the act of August 29, 1916. The text is greatly abbreviated, and in case of doubt the original act should be consulted.

(*p*) "The retainer pay of the enrolled men of the Fleet Naval Reserve shall be the same as for the enrolled men of the Naval Reserve and shall be computed in like manner: *Provided*, That nothing herein shall operate to reduce the retainer pay allowed by existing law to enlisted men who, after sixteen years' or more naval service, are transferred to the Fleet Naval Reserve, nor to deny to such enlisted men their privilege of retirement upon completing thirty years' naval service, as now provided by law." (Act July 1, 1918.)

(*q*) That the annual retainer pay of members of the Naval Reserve Force, except officers in the Naval Auxiliary Reserve and transferred members of the Fleet Naval Reserve, after confirmation in rank, grade, or rating, shall be the equivalent of two months' base pay of the corresponding rank, grade, or rating in the Navy, but the highest base pay upon which the retainer pay of officers of the Naval Reserve Force shall be computed shall not be greater than the base pay of a lieutenant commander. Service in the Navy, Marine Corps, National Naval Volunteers, and Naval Militia shall be counted as continuous service in the Naval Reserve Force, both for the purpose of retirement and of computing retainer pay: *Provided*, That no member of the Naval Reserve Force shall be eligible for retirement other than for physical disability incurred in line of duty: *Provided further*, That no retainer pay of any member of the Naval Reserve Force except those enlisted men transferred to the Fleet Naval Reserve after sixteen or twenty or more years' naval service shall be in excess of the amount authorized to members having had sixteen years' continuous service therein. (Act July 1, 1918.)

(*r*) That in time of peace the Secretary of the Navy is authorized, in his discretion, to order any member of the Naval Reserve Force, with his consent, who has been confirmed in his rank, grade, or rating, to perform any duty afloat for any period of time for which his services may be required. (Act July 1, 1918.)

(*s*) Members of the Naval Reserve Force when employed in active service, ashore or afloat, under the Navy Department shall receive the same pay and allowances as received by the officers and enlisted men of the Regular Navy of the same rank, grades, or ratings and of the same length of service, which shall include service in the Navy, Marine Corps, Naval Reserve Force, Naval Militia, National Naval Volunteers, or Marine Corps Reserve. (Act July 1, 1918.)

II. Retainer Pay—Enlisted Men Voluntarily Transferred to the Fleet Marine Corps Reserve—Class 1 (c) and Class 1 (d)—

1. *Class 1* (*c*).—Men transferred to the reserve list on the expiration of a term of enlistment, after completing 16 years of honorable naval service, shall be paid a retainer pay at the rate of one-third of the base pay they were receiving at the close of their last naval

service plus the total of all permanent additions thereto. (See act of Aug. 29, 1916; and Comp. Dec. of Sept. 22, 1916, 23 Comp. p. 190.)

2. *Class 1 (d).*—Men transferred to the reserve list after completing 20 or more years of naval service shall be paid a retainer at the rate of one-half of the base pay they were receiving at the close of their last naval service plus the total of all permanent additions thereto. (23 Comp., p. 190.)

NOTES.—(*a*) The retainer pay of class 1 (*c*) and class 1 (*d*) shall be increased 10 per cent for all men credited with extraordinary heroism in the line of duty, or in the case of class 1 (*d*) the retainer pay is increased 10 per cent for those whose average marks in conduct for 20 years or more shall not be less than 95 per cent of the maximum.

(*b*) The pay of any member of the Fleet Marine Corps Reserve shall be forfeited when so ordered by the Secretary of the Navy upon the failure, under such conditions as may be prescribed by the Secretary of the Navy, of such men to report for inspection.

(*c*) Members who have established their qualifications by examination may be given warrants as marine gunners, quartermaster clerks, clerks for assistant paymasters, or second lieutenants. This does not deprive them of the pay, allowances, or gratuities to which they would otherwise be entitled.

(*d*) Members of this class may be retired upon their own request after completing 30 years of service, including all naval and Fleet Marine Corps Reserve service, and when so retired they receive the same pay they were receiving when retired, plus the allowances to which retired enlisted men of the regular Marine Corps are entitled.

(*e*) Members of this class are continued in the reserve until discharged or retired, and are subject to the laws and regulations for the government of the Navy.

(*f*) Members of class 1 (*c*) and class 1 (*d*) do not receive uniform gratuity.

(*g*) Members of class 1 (*c*) and class 1 (*d*) will be paid monthly by check.

(*h*) Paragraphs (*b*), (*c*), and (*g*), under notes regarding enrolled members, class 1 (*a*) and class 1 (*b*), are also applicable to transferred members class 1 (*c*) and class 1 (*d*) of the Marine Corps Reserve.

(*i*) Hospital fund at the rate of 20 cents per month will be deducted from the retainer pay of transferred members, class 1 (*c*) and class 1 (*d*), of the Fleet Marine Corps Reserve, at all times. (Comp. Dec., Dec. 27, 1916.)

(*j*) The accounts of members of this class while engaged in actual service for training, or when called to service in time of war or national emergency, will be carried in the same manner as enlisted men of the regular service, but deduction at the rate of 20 cents per month for hospital fund will not be made from active duty pay as this is to be deducted from the retainer pay at all times. (Comp. Dec., Dec. 27, 1916.)

III. Retainer Pay—Class 2, Marine Corps Reserve A—

1. *Class 2 (a).*—Officers; provisional. Annual retainer pay of $12.

2. *Class 2 (b).*—Officers; confirmed. Annual retainer pay of two months' base pay of the corresponding rank in the Marine Corps.

3. *Class 2 (c).*—Enlisted men; provisional. Annual retainer pay of $12.

4. *Class 2 (d).*—Enlisted men; confirmed. Annual retainer pay of two months' base pay of the corresponding rank in the Marine Corps.

IV. Retainer Pay—Class 4—Marine Corps Reserve B, is the same in all respects as class 2, Marine Corps Reserve A.

V. Retainer Pay, Marine Corps Reserve Flying Corps, class 5 (*a*), (*b*), (*c*), and (*d*), is the same in all respects as class 2A; and class 5 (*e*) and (*f*) is the same as class 1 (*c*) and (*d*), respectively. Members of the last two classes do not receive uniform gratuity.

NOTES.—(*a*) The minimum active service required of members of the Marine Corps Reserve to qualify for confirmation in their rank or rating shall be three months.

(*b*) All notes in the pay table under "Enrolled Members Fleet Marine Corps Reserve, class 1 (*a*) and class 1 (*b*)," except note (*n*), are applicable to members of the Marine Corps Reserve A and B, and the Marine Corps Reserve Flying Corps, class 2, 4, and 5, respectively.

VI. Class 6.—The Volunteer Marine Corps Reserve obligate themselves to serve without retainer pay and uniform gratuity in time of peace. When called to service in time of war or emergency they will become entitled to uniform gratuity as provided for the class in which serving during such time. When on active duty the pay is the same as that of the corresponding rank in the Marine Corps.

In all cases active service pay commences on day of reporting and ceases on date of detachment, both dates inclusive.
